

Life Event Planning

Life Event Planning is an *individual or team event* that recognizes participants who apply skills learned in Family and Consumer Sciences courses to manage the financial costs of an upcoming event. An upcoming event is defined as a planned event that is taking place during the 2017, 2018 or 2019 calendar years. Wedding planning is not an appropriate event topic unless the student or family member is engaged with a wedding date in 2017, 2018, or 2019. “Dream events” with no timeline are not allowed.

Examples of events include, but are not limited to:

- preparing to move into a dormitory room
- hosting a party or celebration
- operating a vehicle for one month
- taking a school or personal trip
- hosting a *family* reunion
- paying initial costs of a new job
- managing personal costs of attending the prom
- paying school expenses for one grade level.

Planning events for the FCCLA chapter, school, or other organization are not appropriate for this event. Participants select an upcoming event in their lives, determine the amount they can budget for the event, and prepare in advance an event **portfolio**. At the event site, participants present the *portfolio* to the evaluators.
