

Fashion Design

Fashion Design, an *individual* event, recognizes participants who apply fashion design skills learned in Family and Consumer Sciences courses to design and market clothing styles. Participants will develop a clothing label, research the intended *audience*, design the label's first 4-piece collection, and construct one collection sample using an original flat pattern designed by the participant. Students will exhibit knowledge of all the aspects that surround design, including design basics, fabric choice, and pricing. For competition, participants must prepare a **portfolio**, **sample garment**, and an **oral presentation**.
