

My name is Erin Agan, I am from Otsego High School-Penta Career Center, and currently serving as your First Vice President. In my free time, I love binge watching *How I Met Your Mother* on Netflix, adventuring in the outdoors, and spending time with my two dogs, Doug and Bengy.

The summer after my freshman year I joined FCCLA because a friend shared their experiences at the 2015 National Leadership Conference. Before joining FCCLA, I was a naive and eager freshman looking for my place in my community. Through FCCLA, I have found my place and became a member of a family of over 164,000 individuals, each with a unique story. This year, I challenge you to add to your unique FCCLA story and I look forward to being a part of the journey!
