Dear <organization or name of person at organization>:

Family, Career and Community Leaders of America, FCCLA is a National Career-Technical Student Organization with leadership development and service learning as a main focus. FCCLA members are young men and women who are enrolled in a Career-Technical Education program such as Family and Consumer Sciences, Hospitality and Tourism, and Education and Training programs.

The Ohio FCCLA association is completing a statewide service project "Our Kids, Our Family". The goal of the project Our Kids, Our Family is to provide service to youth in our community across Ohio who are less fortunate. Ohio FCCLA is partnering with the organization, My Very Own Blanket organization and the Community Shelter Board - Van Buren Homeless Shelter at our State Leadership Conferences to make blankets and to pack Hygiene kits that can be distributed to youth in foster care and be donated to a local homeless shelter.

On April 26, 2018 over 1,500 youth will gather at the Ohio Expo Center to assemble blankets and pack the hygiene kits with all of the donated fleece and personal care items. We are asking for your support through the donation of fleece and items off of the attached list for the hygiene kits. We are also able to graciously accept gift certificates or monetary donations to help purchase these items.

We thank you in advance for your support! Donations are greatly appreciated and will be used to provide service to youth in our community across Ohio who are less fortunate. To make a donation, please contact <chapter adviser's name> at <school phone number> or by email at <chapter adviser's email>.

Sincerely,

<Advisers or chapter officers signatures>
